

# Come sew with me!

## Individual Tuition

I offer individual and small group tuition on Thursdays until September 2018. From September 2018 tuition will be available on Tuesdays and Fridays. You may choose to tailor your own session with a particular project or goal you have in mind, or complete one of my regular workshops.

A minimum lesson time is two hours. Lesson fees vary depending on the length of the lesson, the number of people attending, and the location (see below for rates). Lesson fees include tuition, use of a sewing machine (if required), basic sundries and practice fabric, detailed instructions to take away, tea and coffee, and the studio hire charge. 50% of the fee is required upfront to confirm a booking, with the remaining amount payable on the day. Please contact me for specific prices and to check availability.
